

# Google Classroom Codes 2021-2022

## 10<sup>th</sup> Grade

Students will need to use both Google Classroom and Google Meets. English, history, and foreign language classes will be live through Google Meets on Monday and Wednesday. Bible, math, science, and electives will be live through Google Meets on Tuesday/Thursday. Please note the elective/specials classes may only go live one day a week. The teacher will post this on Google Classroom. There will be assignments given on the days the classes do not meet. Friday will be used as a study day for students and a grading day for teachers.
