

Google Classroom Codes 2021-2022

8th Grade

Students will need to use both Google Classroom and Google Meets. English, history, and foreign language classes will be live through Google Meets on Monday and Wednesday. Bible, math, science, and electives/specials (study skills, pre-health, P.E., art, music) will be live through Google Meets on Tuesday/Thursday. Please note the elective/specials classes may only go live one day a week. The teacher will post this on Google Classroom. There will be assignments given on the days the classes do not meet. Friday will be used as a study day for students and a grading day for teachers.

Bible 8A (Mrs. Roberts 4th Period) – cqdyqok

Bible 8B (Mrs. Roberts 7th Period) – 41ggdv6

Earth Science 8A (Mr. Lassiter 4th Period) – emd6uwe
