What a great start to the school year! Middle School and High School Staff and students are learning to navigate hallways that are a little more crowded than in years past, and parents are experiencing similar conditions in the parking lot each afternoon. I appreciate the feedback and the parent involvement to help make these transitions as smooth as possible.

Parents, grandparents, and other caregivers have always been an essential part of the success of HCA, and this year is no different. Just from informal observations of what I have seen so far and conversations that I have had up to this point in the year, I think our parent involvement, like our enrollment, will be higher than in years past. That is exciting!

As a faculty, we welcome you to share a meal with your students, to attend chapel services on Thursdays (MS/HS at 8:00, ES at 9:00), attend Parent Teacher Fellowship meetings that are scheduled for the first Tuesday of each month at 3:15 in the lunchroom, and reach out to the teachers for more specific ways in which you can be involved in the activities at HCA.

Throughout the course of the year, our lunchroom needs packages of Ramen noodles, peanut butter crackers, macaroni and cheese cups, and anti-bacterial wipes. If you are able to supply any of these at some point in time, it would be greatly appreciated.

Thank you for the legacy that you leave in this community and with these students. Through your influence they have the opportunity to change the world!

Simply Blessed
