A harvest brings certain sights, sounds, and smells to a community. It is time of evaluation and a time of preparation. The same can be said of education. The first nine weeks has ended and students will enjoy a week

away from school next week, and when students return, a new nine weeks begins with increased rigor heading toward the end of the semester. Fall break brings to mind the efforts of teachers and students so far this year, the efforts of parents and grandparents to help ensure the success of all the programs of HCA, the efforts of PTF to acquire and provide resources so that academic excellence may continue and student life may be enhanced at HCA, and the words of Paul to the Galatians, "Let us not grow weary in doing good, for we will reap a harvest at the proper time if we do not give up" (Galatians 6:9). The effort and energy invested in the students and activities of HCA leads to a harvest that will impact individuals, families, and communities for years to come. Enjoy the break!

Happy Fall Break!
