In 1945, President Truman said, “Our debt to the heroic men and valiant women in the service of our country can never be repaid. They have earned our undying gratitude.” On Friday of this week, we will take time to honor our veterans. Your selfless sacrifice and service secures our families, our faith, and our freedom. President Truman recognized the need for “undying gratitude,” and no words are ever able to express our full appreciation your dedication to our nation. So, from the bottom of my heart, I say, “Thank you for giving of yourself in service to others!”

Dear HCA family,

It is hard to believe that Christmas is around the corner, somewhere just past Thanksgiving, report cards, carpools, and ball games! It is always a whirlwind, and we know the rush can sometimes take the joy out of this wonderful season.

PTF would like to help make this season a little easier, less stressful, and perhaps more enjoyable this year while **you** make a difference for our school. You can help us by considering our Scrip Program as a source for your Christmas buying! We have gift cards from numerous retailers. Each would make great gifts for family, friends, teachers, employers, and associates on your list. PTF will purchase these gift cards at a discount price and sell them to you at face value. We can generate a profit on each card ranging from 0.5%-14%. Why not give a gift that will benefit more than just the person who receives it?

Included with this letter is an order form listing the gift cards that are available to purchase at their full face value.

Ordering is simple- each gift card and the denominations available are listed on the attached form. Just write the number of cards needed in the space provided. Total your order and attach cash and/or checks made out to HCA PTF and return by **WEDNESDAY, November 16.** Cards will be returned to you after Thanksgiving break.

Before submitting your order, please review it one final time to ensure that the total matches the amount of money turned in. Once the order has been submitted, it will not be able to be changed and we want to be certain that you have all of the gift cards needed for your friends and family.

Thank you for allowing us to help with your Christmas shopping this year.

Sincerely,
HCA PTF

We hope to continue this tradition this year by collecting and donating many boxes both physically and digitally. You can either curate your own box at home or you can go to the Samaritan's Purse website and donate online and digitally. If you make a digital box please print the receipt and have that turned in to the appropriate teacher.

Go to the Samaritan's Purse website for tips and suggestions for things to add to your very own Operation Christmas Child Box!

A New Beginning for Génesis

In the mountains of Ecuador, 8-year-old Génesis was invited to an Operation Christmas Child outreach event by her cousin. There she heard the Gospel of Jesus Christ clearly presented and was surprised with her first gift ever—a shoebox filled with a stuffed animal, doll, and her favorite toys. Even “the box itself made me very happy,” said Génesis.

At the event, she also accepted Jesus Christ into her heart! “I have a new friend,” said Génesis. “I am happy for the opportunity I had to come here. I have learned about God and received a shoebox. He is my Savior.”

Génesis went home and told her mother, who was sick with COVID-19, about Jesus. As a result, both of her parents came to faith in Christ! The family was also grateful to God for her mother's full recovery.

Génesis went on to participate in The Greatest Journey, the follow-up discipleship program designed especially for shoebox recipients, where she learned more about following Christ and sharing Him with others.
