**No School Monday, January 16th**

A new year brings new challenges and new opportunities. Some people use the time to reflect upon successes and celebrations of the previous year. At HCA, the fruit of last year's efforts are appearing on campus.

This week, the ground is being prepared for

the new playground that the PTF was able to purchase because of the success of the spring fundraiser. Students will not be allowed in that area until the work is complete, but that should only take a couple of weeks. Students will still be able to have recess on the tennis courts.

Also, the contractor has plans to begin the replacement of the gym floor starting in mid-February. That project will probably last until Spring Break, and will result in a change in how PE classes are taught and a new format for our chapel times. As we get closer to the actual start date, we will be able to provide more accurate information. Though the replacement will bring a certain number of challenges to HCA, I am grateful that the gym has been available for use in its current condition during this school year. Classes have continued as normal, and HCA has been able to host athletic events. God continues to be gracious to us!

**TO HELP SERVE YOU BETTER**  
**THROUGH THE CALLING POST**

Some of you have stated that you did not receive a call from the Calling Post last year.

After reviewing the call history, it appears that several calls went to an answering machine, but a message was not left. Most of us will not answer a call from a number we do not recognize. We suggest putting the Calling Post number in your contact list so when a call comes through from the Calling Post, you'll know it's an important message

from Mr. Walsh. **That number is 405-754-2583.** It is the same number every time. Please consider doing this to help avoid missing another important call from Mr. Walsh through the Calling Post. Hopefully, we can cut down on the missed calls and you will be better informed when we have to utilize the Calling Post.

Thank you for your continued support of Heritage Christian Academy.

**WEATHER RELATED SCHOOL CLOSINGS**

In case of inclement weather or other local emergencies, listen to WNKJ (89.3 FM), WHOP (1230 AM or 98.7 FM) or Nashville stations for CBS, NBC & FOX17, if you do not receive a call from the Calling Post. You can also check out our website ([www.hcahopkinsville.org](http://www.hcahopkinsville.org)) or view our Facebook page (Heritage Christian Academy). Since we do not provide bus service, HCA will not necessarily follow public school weather related closings. It is our intent to hold classes even when there is inclement weather. Parents may use their discretion in determining if it is unsafe to drive. Students will not be penalized for tardiness or absences on these days.
