In 1904 President Roosevelt expressed his desire to complete the Panama Canal with the words, "Make the dirt fly." Currently on the campus of HCA there are 2 work projects. The first is replacing the gym floor. The crew arrived this morning to begin the effort of removing the old court, repairing or replacing the plywood subfloor, and installing the new gym floor. The current "Warrior" logos will be saved and displayed on the walls of

the gym, but if you would like to own a piece of "history", the blue stripes that formed the boundaries of the basketball court, will be available for \$10. The pieces are expected to be approximately 2 inches wide and a foot long.

The other work project currently in progress is the new playground equipment. Last year, PTF hosted a spring fun-run to help raise money for new playground equipment. Last week, the pieces of the playground were delivered and should be assembled later this week. Thank you to PTF and all those who contributed to the fun-run. Future generations will enjoy experiencing the beauty of nature while playing on the fruit of your labor. I would like to give a HUGE "thank you" to the volunteers to came to remove the old pieces of playground equipment and prepare the land for the new equipment.

The faculty, board, and administration consistently ask questions about how to improve the education, environment, and experience of students at HCA. I always enjoy hearing suggestions from parents, grandparents, guests, and visitors as well. The Lord is moving at Heritage, and we want to be obedient to His will. In addition to the quote from President Roosevelt, the other phrase that has been rattling around in my mind this week comes from a hymn by Fanny Crosby that I used to sing in church, "To the work, to the work, we are servants of God...let us hope, let us watch, let us labor till the Master comes!"

Boys Basketball Varsity/Jr Varsity

Feb 13	Mon	Grace Ch	Home	5:00
Feb 14	Tue	Dawson Sp	Home	6:00
Feb 16	Thr	Northside	Away	TBA
Feb 24-25		KCAA Super Regionals		TBA
