“His master replied, ‘Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master’s happiness!’ (Matthew 25:21).

Jesus utters these words as part of a parable in which the servants of a master receive a portion of the master’s possessions to use while he is away. As we approach the end of another school year, the emphasis from this passage remains the standard for evaluation of our efforts. Students remain under our care, supervision, and tutelage for a short period of time, and

at the end of that time we listen for those words, “well done good and faithful servant.” Sometimes those words come from students, sometimes those words come from families, and sometimes those words come from colleagues. My heart listens for those words to come from the Holy Spirit, to know that we have been faithful to the mission of HCA for the current year and with the current students. In honor of teacher appreciation week (May 8th-12th), I would like to say to our staff, “well done good and faithful servants!”

With the end of another year comes the graduation celebration, and the traditions of senior chapel (May 11th at 8:00) and senior letters. If you, family, friends, or neighbors would like to write a letter to a senior offering congratulations and encouragement, please submit those to me by Monday, May 8th. On May 11th, each senior will receive a binder with all of the letters addressed to him or her.
