For the final installment of the Warrior Weekly for the 2022-2023 school year, I want to thank you for allowing us the privilege of educating your student for the past 9 months. The faculty and staff consider their positions here to be opportunities to minister and mentor in addition to providing academic excellence. I had mentioned in an earlier Warrior Weekly about an end of the year survey. We have experienced a couple of delays, but that survey should be coming out on

an email in the next week or two. Also, I have been approached by a couple of parents who would like to have an opportunity to provide in-person feedback and ask questions about some of the practices and policies of HCA. It is my desire to host such a meeting during the summer, and the information detailing date and time will also come through email. Finally, congratulations to the class of 2023! I said to them at the senior banquet that in this group are champions, scholars, and servants; students with big personalities and bigger hearts. Not one of them lives in the shadow of another, and they all possess the potential to change the world. Pray for them as they transition into the next stage of life. Enjoy the summer!
