Academic Excellence based on Biblical Principles

Volume 29 Number 2

August 21, 2023

Jesus of Light
the World came so we could
find our way to God.
Jesus the
Lamb of God, died upon the
CROSS so we could receive
the Salvation of God
Jesus of Bright
and Morning Star,
rose from the
dead so we could
live forever
with God.

Principal's Message

For twenty-nine years God has had His hand on Heritage Christian Academy. He has poured out His blessing and provided for every need that has arisen. Over those years generous families have served and sacrificed for the growth and future of the school. As we enter the thirtieth school year, and as we look to the years beyond, we remain confident that He will continue to bless this school.

The school board and I have discussed the next phases for the growth of Heritage Christian Academy on numerous occasions. Included among the top considerations are teacher compensation and facility upgrades. On the first concern, according to the Association of Christian Schools International (ACSI), the goal of any Christian school accredited by ACSI is to compensate teachers at a rate of 80% of the local public-school salary. In the Christian County Public School System, a first-year teacher earns close to \$40,000 per year plus benefits. First-year teachers at HCA fall more than \$15,000 below that standard with no benefits.

Fulfilling our mission of providing academic excellence based on Biblical principles requires good teachers. In order to recruit and retain high-quality teachers, the stakeholders of HCA must first faithfully pray that God sends men and women with a servant heart and a ministry mindset. The stakeholders of HCA then must also financially plan so as to care for those who invest in and instruct our students. This financial plan seeks to create new streams of revenue through donations to help cover some of the operating costs, but it will also result in an increase in tuition over the next few years.

Once the financial plan is in place, we will perform an enrollment analysis, which in turn will drive our facilities plan. The Lord has graciously provided land on which we can expand our campus, but we want to be good stewards of all that He has provided for us and maintain our mission of providing academic excellence based on Biblical principles. Thank you for joining me in prayer to God, rejoicing in what He has done and anticipating what He will do next!
