Principal's Message

September 11, a day for remembrance and a day for recognition. Today has been designated "Patriot Day." On this day we recognize our members of our armed services and our first responders. We remember their commitment to their communities and their sacrifices for our society. We pray for their safety and give thanks for their service.

In recent weeks we have seen a rise in illnesses at HCA, from sinus infections to stomach bugs to "pink eye." Please encourage your students to wash their hands, being sure to create suds with the soap, several times each day. We have asked the teachers to wipe down the desks and tables multiple times a day with anti-bacterial wipes as well. These practices will help to limit the spread of certain illnesses and enable students to attend each day.

The Feedback Forum that usually meets on the second Tuesday of the month is going to be re-scheduled for September 26th, and we will not have one in the month of October. On September 26th, I will be sharing the criteria for which HCA will be evaluated when the ACSI team visits in the spring. We will meet at 6:00 in the lunchroom.

Finally, if you have not had a chance to see the piece of steel on loan to HCA for the current school year from the Freedom Flag Foundation, we have it on display in a trophy cabinet in the front lobby.

"May the Lord bless you and keep you; the Lord make His face shine upon you and be gracious unto you; the Lord turn His face toward you and give you peace."
