For the past several years, WKDZ has recognized HCA as one of the best private schools in the region. Since these contests rely on the public actively casting a ballot, the success of the school represents the opinions of people in this area. Tomorrow night, families who would like more information about the educational

program that HCA offers may receive information at our New Family open house. Our doors will be open from 5pm-7pm for families to tour, ask questions, or simply experience the environment of being a Warrior! With each passing year, we are able to document the growth of the school. This growth includes an updated playground, an awning on the front of the building, a new gym floor, a video board in the gym, the addition of bowling as a competitive sport, an expanded offering of elective courses, and an increased enrollment of almost 100 students. If you know of any families who are considering enrolling a student or students in a private school, share with them the highlights of HCA and remind them that our mission is to incorporate Biblical truth into all of our content areas. From a personal point of view, HCA has enabled me to grow as a disciple, has enabled me to share a common foundation with all of my colleagues, and has enabled me to invest in the lives of others for whom Christ died and who want His to know His will before the step into the "real world." It is my belief that there are others in this area would desire the same, and we would love for them to join the Warrior family!
