Holy Week contains so many expressions of God's love, of God's patience, of God's expectations, and of God's work. Each day of that week, each word that Jesus spoke, and each step that Jesus took communicates God's desire that "none should perish, but that all should come to repentance." It is my prayer that you experience His fulness as you attend worship this weekend, whether you attend a Good Friday service,

a Sunrise service, the Easter Celebration of Resurrection Sunday or all of the above. And remember, according to Paul's letter to the Ephesians, that the power God exhibited in raising Christ from the dead exists in each believer.

I also want to encourage you to attend one of the two performances of Seussical at the historic Alhambra theater in Hopkinsville. One performance is Thursday evening and the other is Saturday evening. I visited the theater today to watch a little of the practice, and as always, am so impressed by the talent of our students and the investment that Mr. Hodge, Mrs. Blain, and their team make in our students.

Enjoy Spring Break and stay safe if you plan to travel anywhere! Prayers for our juniors and seniors as they travel the week after Spring Break, and then testing week begins! God bless!
