Good Morning! As you wake up today, be filled with God's mighty power and blessings over your life.

It is always exciting when new ideas are brought to HCA. I have been amazed and appreciative of how many people have not just suggested activities, but followed through with their execution. HCA's bowling team began with parents collaborating with a teacher, and they had a really good year. PTF not only raised money through the fun

run, but Legacy Metals financially joined in that effort and supported the opportunity to increase some of the safety features to be installed in the near future at HCA. PTF also sponsored a car show this past Saturday, and it was a fascinating event. I want to extend a thank you to the choir who performed, the teachers who provided baked goods, and the churches who sent donuts (Hillcrest, Living Hope, Gracey West Union, Edgewood, New Work Fellowship). On a side note, one of the goals of the board of directors is to improve the relationships between the school and the local churches in this community. Local churches played such a major role in the establishment of the school, and we want to enhance those relationships. The car show enabled people who might not otherwise visit the campus of HCA to see our school, meet several families who are connected with HCA, and show off the fruit of their labor – even some of our own students and families brought cars to exhibit. Thank you to PTF for the effort and the vision. Effort and vision, vision and effort – those are the keys to the continued success of HCA, and there is room for you to be a part. As you pray and seek the Lord, ask what, ask how, ask for laborers to go into His harvest field! Thank you all so much!

*Thank You!*
